

Student Resources To Help You Be Successful This Semester

- **Academic Success Resources** – Need some tips on how to be more successful in class? How about how to study for tests or relieve test anxiety? What about helping with time management? Visit https://www.unco.edu/student-academic-success/academic-success/academic-success-resources/?utm_source=KlawzChatBot&utm_medium=chatbot-campaign&utm_campaign=adm-sept21-attending-classes-study-habits for some great tips and links to downloadable resources!
- **Advising Resources for Students** – What is academic advising and what do I need to know about it? Visit <https://www.unco.edu/advising/students.aspx> to find out.
- **Bear Central:** Houses the Registrar, Financial Aid and Bursar/Student Billing offices <https://www.unco.edu/campus-commons/bear-central/>
- **Calendar of Events:** What's happening on campus? Find out here <https://calendar.unco.edu/>
- **Center for Career Readiness:** Help determine and implement career related goals <https://www.unco.edu/career/>
- **Clubs and Organizations:** Provides many opportunities for students to get involved on campus <https://www.unco.edu/clubs-organizations/>.
- **Counseling Center:** Provides counseling services to students <https://www.unco.edu/counseling-center/>
- **Disability Resource Center:** Provides resources, education and accommodations to enhance learning <https://www.unco.edu/disability-resource-center/>
- **Equity and Inclusion Departments:** The Cultural and Resource Centers at UNC provide tailored personal support for you. Find your place at <https://www.unco.edu/equity-inclusion/departments/>
- **Math Study Center** – Working on your math homework and came across a problem you need help with? Click on this link to schedule a Zoom meeting with a Math graduate student to get help. https://www.unco.edu/nhs/mathematical-sciences/current-students/study_center.aspx . They are available to help with many courses with the MATH prefix.
- **Parking Pass:** Need a parking pass? You can purchase on URSA under your Financial Tab. If you aren't living on campus you may also consider just buying [daily passes](#) instead.
- **Reserve a Space on Campus to do your Remote Courses** – Tired of trying to navigate the commute between remote and in-person classes? The Michener Library has multiple spaces available for reservation for students who need a place to participate in their classes remotely. You can reserve space at <http://unco.libcal.com/spaces>.
- **Student Health Center:** Provides health services to all UNC students <https://www.unco.edu/student-health-center/>

- **Tutorial Services:** Put those student fees to good use and take advantage of one-on-one tutoring or supplemental instruction sessions. Get more information on courses offered for tutoring at <https://www.unco.edu/tutoring/course-offerings/> and how to sign up for one-on-one virtual tutoring sessions at <https://www.unco.edu/tutoring/>.
- **UNC Card Office :** Information about getting your school ID available at <https://www.unco.edu/card-office/>
- **Writing Center** – Need someone to proofread your next paper? You are in luck!! The Writing Center consultants can help. <https://www.unco.edu/writing-center/>

Be an Advocate for Your Success – Attend class! Reach out to your faculty and your advisor for help often. We are here to help guide you on your journey to success but you are the one who is leading the journey.
