Assignment: There is a lot of information that you have received your first week of class. The goal here is to collect that information in one place to make sure we are not missing anything. Complete the survey below and bring it to **my office** before the end of the day on Wednesday, September 1.

1. Who is your advisor? You should be able to find this information through URSA. Let me know if you have trouble locating the info.

Most of this information should be available on the syllabus for the class, but you will also need to think about scheduling time relative to other classes. It might be helpful to print out a schedule with classes, office hours, study times; if you do, attach that here too.
